1. In cognizance to the DepEd's pursuit in exploring learning channeled through different medium to ensure that education will continue despite emergencies while bracing for the new normal in education, our Schools Division through the Information and Communications Technology Section and Human Resource Development Section will conduct a webinar dubbed **START BLENDING! Evolving to the New Normal of Teaching** on **August 10-14, 2020 through Facebook Live at DepEd Tayo Mountain Province FB Page from 9:00AM-12:00NN.**
2. This 5-day webinar aims:
  - To differentiate asynchronous and synchronous learning;
  - To recognize the benefits of independent learning to the learners;
  - To develop an offline multimedia learning resource material that fosters independent learning;
  - To identify the key ideas in developing and evaluating a print and non-print based learning resources;
  - To design a blended learning class plan fostering a dynamic learning environment with learner-centered digital technology tools and resources; and
  - To encourage participants to engage, interact, and pose questions with speakers and other participants.
3. This webinar shall be participated by interested Public Schools Division Supervisors, Public Schools Division Supervisors, Division ICT Core Team, School Heads and teachers. Other DepEd personnel are also highly encouraged to participate in this webinar.
4. Acknowledging the challenges in internet connectivity in some areas, this webinar isn't mandatory to be attended live. Interested participants may watch on-demand the recording of the live sessions in the video gallery of the DepEd Tayo Mountain Province Facebook Page.
