Subject: **2020 GLOBAL HANDWASHING DAY CELEBRATION**

Relative to the COVID-19 pandemic, handwashing as an activity has achieved top-rank status as one of the easiest, non-medical recourse to prevent and control the spread of COVID-19 infection.

With the theme, "**Clean Hands for All**", the office enjoins internal and external stakeholders to participate in whatever creative way they can to highlight the October 15 Global Handwashing Day celebration. Nurses and partners in the local health sector shall take the lead in the information, education and campaign of the benefits of handwashing.

Documentation of the activities shall be submitted per district.

Widest dissemination to all concerned is desired.
